Camp - Disciplinary Policy

GSKWRC would like your daughter to have the best experience possible while at camp this summer. Thus, all participants must understand and follow the camp guidelines and rules. These expectations are in place to ensure the safety of your daughter the girls and staff at camp.

Rules

- **Listen and follow the directions of your Unit Leader(s)**
- **Respect camp staff and other camp participants**
- **Respect camp and facility property**
- **Keep hands, feet and other objects to yourself**
- **Participate in camp activities**
- **Clean up after yourself**
- **Be positive and have fun!**

Should a camper choose not to follow any of these rules, these are the guidelines that the staff will follow to handle the situation:

Step 1: Verbal warning

Step 2: Time out or time away from group

Step 3: Behavior warning-report sent home

Step 4: Conference with parent

Step 5: Meeting with the directors, necessary staff, parent(s), and child (at this time, suspension or Expulsion will be discussed)

In the event that a camp participant engages in behavior which poses a threat of bodily harm to themselves, others, or facility property, an immediate meeting with the parent(s) or guardian may be called. If such behavior warrants it, an immediate suspension or expulsion may result.

Situations that will result in an automatic *behavior warning* report are: stealing, use of profanity, excessive violence (hitting, kicking, biting, etc.) and property damage.

Please review these rules with your child. The staff will review these rules with your child at the beginning of camp. Thank you in advance for your cooperation, and we hope to have a great summer!
